

The classic designer umbrella with the unique canopy shape

Metropolitau®

Frame: 14 mm metal shaft with elegant Chrome look and 16 strong metal ribs. The safety runner enables an easily manual opening and closing without pinching the fingers.

Handle and Cap: Crooked designer handle made of aluminium, with comfortable senosoft surface in Black and with printed brand logo.

Fabric and Sleeve: High-quality and heavy-duty Polyester fabric in matt finish. With brand logo on woven label attached on canopy and case.

W116 Metropolitan

The high-fashion lifestyle umbrella with its elegant canopy – For Ladies and Gents

Classic stick umbrella with manual open and close function, 100% rain and windproof. The elegant and special shape of the canopy with its 16 ribs lift up the umbrella to a real eye-catcher. The design of the crooked handle is clear and unique as well.
